Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

This is in response to the Office Action mailed October 3, 2002, and having a period for response set to expire on January 3, 2003. A Petition for a two-month extension of time, together with the requisite fee for same, is submitted herewith, thereby extending the period for response to March 3, 2003.

The following amendments and remarks are respectfully submitted. Reconsideration of the claims is respectfully requested.

**IN THE CLAIMS:**

Please AMEND claims 14, 15, 23-25 in accordance with the following:

14. (Amended) A program recording medium storing therein programs which are employed for incarnating an apparatus for use in a radio communication system wherein the apparatus communicates with another apparatus through a radio channel, the programs causing a computer to execute processing comprising:

monitoring whether or not a transmission request for data, which designates the particular apparatus itself as a transmission destination, has been issued by said particular apparatus or the other apparatus connected thereto through a network;

generating a process to serve as a reception destination for the data and also generating a buffer in correspondence with the process, when the monitoring step has detected
